

# Bhai Makhan Shah Lubana and the Imposters

**Bhai Makhan Shah travelled to Bakala to find the True Guru.  
Here 22 people were pretending to be the Guru!**

**In his mind Bhai Makhan Shah wanted to offer 500 coins to the True Guru.**

**So he tested everyone by offering only a few coins as only the  
True Guru would ask for the full 500 coins!**
